Dear Friends,

I would like to share some of the comments I received about my album "What Kind of Love Is This". I am humbled and blessed by them all. May the glory and honor be to God.

I have listened to your CD; it is absolutely beautiful. Your voice is as strong as ever, and the praises to our Lord are touching, faithful, gentle and just wonderful to hear. Compliment for you: My husband came upstairs as I was listening to your CD, and asked if it was Elvis or someone who "sounded like Elvis". When I told him it was you, he said to tell you "Congratulations on a beautiful CD". M.M. -N.H.

A special peace filled my heart as I listened to this beautiful album. I found myself singing along with a smile on my face. I would suggest you play this uplifting album when-ever you want or need your spirits lifted. D.F. – Middleboro, MA

Recently I started listening to John's CD "What Kind of Love Is This" before going to bed and the music has truly blessed me. I immediately felt a blanket of peace wash over me. The music has helped me sleep deeper at night. S.S. – Arizona

The music and the message is beautiful and several songs made me get teary eyed. We love your voice and both feel you sound a little like Elvis!!! I hear you promoting it on His Kids and I am now singing along with you. "What Kind of Love Is This". You are such a blessing!! The song that hits the deepest part of my soul is Windows of Heaven. John, the tears just roll down my face and, to me it is a very powerful song. When I hear the lyrics "You've opened the windows of Heaven for me"... I cry and my heart is heavy for my family who died without Christ, yet I am joyous to know I and Mike are saved and He will open those windows for us. Felicia & Michael Tashoff - Marshfield, MA.

John Pennio's anointed voice and song choice ministered to me. They brought tears to my eyes. I am blessed to know him. J.G.-Weymouth, MA
